Public Notice

Procurement Act

RELEVANT DOCUMENTS IN ORDER TO DO BUSINESS WITH COUNCIL

The Public Procurement Act 2015 (Act 15 of 2015) came into operation during April 2017 to regulate the procurement of goods, works and services, the letting or hiring of anything or the acquisition or granting of rights for or on behalf of, and the disposal of assets of, public entities; to establish the Procurement Policy Unit and the Central Procurement Board of Namibia and provide for their powers and functions; to provide for the procurement committees and procurement management units and their powers and functions; to provide for the appointment of bid evaluation committees and their functions; to provide for procurement methods; to provide for bidding process, bidding challenge and review; to provide for preferences to categories of persons, goods manufactured, mined, extracted, produced or grown in Namibia, to Namibian registered small and medium enterprises, joint venture businesses, local suppliers, contractors and service providers; and to provide for incidental mataters.

The said Act 15 of 2015 is also applicable to all local authorities, substituting the Local Authority Tender Boards. The Act makes and its regulations make provision that government entities, in some instances of procuring goods, depending on the financial threshold, no longer needs to advertise the procurement of goods or services but may only approach directly those companies, non-consultancy agencies and consulting agencies registered with council in supplying goods or any service.

Local Small and Medium Enterprises are thus requested to submit to the council for enlisting their Company Profile, Proof of Registration, Social and Financial Good Standing Certificates and such services offered or goods trading in.

A keen lover of nature he added that the ocean will definitely be his home for years to come.

DEBT MANAGEMENT

KNOW HOW with Sonja Esterhuizen, Accountant Revenue

eveloping a Budget

The first step towards taking control of your financial situation is to do a realistic assessment of how much money you spend.

- Start by listing your income and expenses
- Divide the expenses into fixed ,those that are same every month e.g. mortgages payment.
- List the expenses that vary each month e.g gro-
- Track your spending patterns and identify necessary expenses and prioritize the needs and wants.

Managing Your Municipal Account:

The Municipality is willing to work with you if your acting in good faith and your debt situation is temporary.

Contact our debt management department im-

mediately if you're having trouble with payment of your monthly municipal account.

- With the debt collection department work out a modified payment plan that can reduce your payment to a manageable level.
- If account was not received on or before the due date of payment, the account holder can obtain a copy of the current account. Several options of receiving account are available such as SMS, emails and postal.
- Accounts must be settled on or before the due date 7th each month.

Payment Methods:

- Cash or Speed point transaction at Municipal Cashier.
- Direct Deposit—First National Bank, Henties Bay:280578, Cheque account # 55460048893
- **Debit Order at Municipality**
- Stop Order at Bank
- Nampost (Namibia)

Herties Bay

The town Council of Henties Bay has recently employed a tourism officer at the Tourist Information Centre, Andreas Shikomba previously a tourism inspector at Namibia Tourism Board. The pelican team catch up with him on his plans for the department and this is what he shared:

Pelican: What are your plans for the Henties Bay Tourism Info centre?

AS: To source and make available to tourist information regarding the history of the town ,the attractions within and around the town and information on accommodation establishments in and around the town.

Pelican: How will your office turn Henties Bay into the vibrant favourite holiday destination in Namibia?

AS: Combine marketing efforts with the Henties Tourism Association to make the town visible to the outside world. To advise the accommodation establishments to maintain their tourism standards to ensure comfort and satisfaction for our visitors.

Pelican: What is the role of the Henties Bay Tourism Association in your department?

AS: The role of the association is to jointly market the town, its attractions and activities through the centre by providing information of their members (tourism operators) for display and disperse to tourist when they're visiting the centre.

All local authorities must develop a website, social media pages and update regularly to give residents access to correct information. A three day workshop held in Otjiwarongo for the Public Relations officers in local authorities was attended by Grace !Noarises and officiated by the Minister of Information , Hon Tjekero Tweya. The Minister urge the officials to be accountable and transparent with information. He referred to the PRO's as the doors of the councils they work for and urges that this doors be kept wide open for public to access information because if you do not ,the community will become suspicious and break the doors to see why its kept closed. At the end of the workshop ,Henties Bay Municipality launched an official facebook and twitter page ,with Instagram to follow. Please follow and like our page @hbaymun and Henties Bay Municipality. !Goas informal settlement: Council brings water closer to its people.

The upgrading of the informal settlement is in process and is due to be completed end of August . We spoke to Christiaan Somaeb , the driving force behind the successful implementation of the upgrading of the informal settlement .

Pelican: What was the challenges with the upgrading of our informal settlement?

CS: The greatest challenge we face was relocating the people who were illegally occupying the road reserves, however we overcome with the assistance of the community leaders through stake holder engagements.

Pelican: What services are you bringing to the area and how will the people living in !Goas benefit from these services?

CS: We bringing the basic municipal annuities which is water and sewerages

service. The comof this project that will be serve with water and connecpoint with convensewerage, and ultimate gaol.

Pelican: Perhaps to us hoe you the cost and time project?

pletion every erf portal tion tional that our

indicate manage of the

CS: The mere fact that the project is done in-house has reduce the overall cost of the project ,the time management required close supervision of the temporary workers that are employed while maintaining the desired quality of work. The presence of our volunteer from Japan Mr Sinya Fujinuma played a mayor

role.

Pelican: Any word final words to the community?

SC:I will like to thank the community of ! Goas for the their cooperation, their cooperation played a key role in success of these project ,and Mr Sinja Fujinuma and the entire team.

PICTURE OF HIS WORSHIP

Cllr . Herman /Honeb is in the process of organising sectoral structures in the community of Henties Bay. The aim is to unite instructure and to practically address the needs of the community. Cllr /Honeb started with the Women structure which is due to be launch in two months time. This structures will consist of women, youth, people living with disabilities and senior citizens. In particular for women the aim is to be

registered with the ministry of health and social services. The women will then elect the leadership amongst themselves with a well drafted articles of association. Their meeting will be scheduled monthly and women of all groups and structures are invited to join this platform. For any further enquiry kindly contact the office of the Mayor.

Cllr Michael Skini Charity Cup

Michael Skini Charity Cup has been the brain child of few community members who approached me to spearhead such an initiative with the purpose to plough back into the community I am leading.

The main objective and the purpose this initiative is to:

- Assist the vulnerable members of the community of Henties Bay, focusing mainly on the pensioners and people living with disabilities
- Explore and expose the hidden talent of our youth to be scouted for professional levels of football
- Sponsor best performing learners with payment of school / hostel fees and assist them with school uniform
- To boost the economy of the town by pooling large number of people to Henties Bay

The project was initially started in 2015. For the year of 2017 Kamwandi Combined school benefit from pledges made at the charity Cup fundraising dinner. The pledges were U\$ 100.00 to fixed the broken window of the school. Ten computers and a printer, a netball kit for the girls and school uniform for the needy learners. The honorable Minister of Education, Katrina Hanse -Hirmarwa witness the hand over event as the guest of honor.
