9. Recommendation

The Evaluation Committee recommends award of the contract to Capital Technical Services CC.

9.1 Conditions of Appointment:

- (a) Confirmation of the Bidder's acceptance, in writing, within seven (7) days after receiving the letter of appointment,
- (b) Confirmation, in writing, that the plant and equipment as listed in the bid document submission is readily available for deployment in Omdel Proper, Henties Bay.
- (c) The bidder agrees to the correction of calculation errors.
- (d) Confirmation, in writing, of the bidder's acceptance of the distinct possibility that certain materials or items may still be supplied or recommended by the Client/ Consulting Engineer and confirmation of the bidder's willingness and commitment to enter into a re-negotiation process. The Client/ Consulting Engineer reserves the right to make a decision on which materials or items to supply or recommend. The rates of all items affected by these materials or items will then be re-negotiated on a fair and reasonable basis. The bidder further agrees to produce actual and true quotations from the supplier for the materials or items that the Client or Consulting Engineer may recommend. These quotations will guide the rates re-negotiation process.
- (e) The bidder provides the Client, within fourteen (14) days of receiving the letter of appointment, the required performance guarantee of 10% of the corrected bid amount in accordance with the contract documents.
- (f) The bidder submits a detailed construction programme within fourteen (14) days of accepting the appointment as set out in the contract documents.
- (g) The bidder signs a formal agreement with the Client before submitting any payment claims.

- (h) The bidder provides the Client with a copy of the required insurance policies within fourteen (14) calendar days of acceptance of appointment.
